BROWN COUNTY  
PORT & RESOURCE RECOVERY

# Rates, Fees & Policy Updates 2021

# Waste Transfer Station

3734 W. Mason St. Hobart, WI 54155

## GENERAL FEES

- Loads weighing 900 pounds or less will be charged a minimum fee of **\$23.00**. A load weighing more than 900 pounds will be charged the Gate Rate per ton.
- 2021 Brown County Waste Transfer Station Gate Rate is **\$52.00 per ton**. Large volume customers willing to contractually commit tonnage for a 5 or 10 year term may be eligible for a lower rate.
- The fee to direct haul waste by Brown County customers to the Outagamie County Landfill will be **\$37.22 per ton** with prior approval.

## PAYMENT METHODS

- The Waste Transfer Station **does not accept cash or check**; customers can pay by credit/debit card or by setting up an approved credit account.
- Cards accepted include: Mastercard, Visa & Discover.

## TARPED LOADS

- Reminder that all loads coming to the Waste Transfer Station must be tarped.

## SAFETY VESTS

- We require safety vests/high visibility clothing to be worn by all persons who exit the vehicle at either Transfer Station.
- Vests may be purchased for a \$5.00 fee.

## FROZEN LOADS

- Brown County will initiate a \$25/ frozen box load dig out fee:
  - Account customers - fee will be added to your monthly invoice.
  - All other customers - fee will be due at time of services.

## SHINGLES

- As of January 1st, 2020, Brown County no longer accepts dirty shingles for recycling. Dirty shingles will be accepted at the Transfer Station at gate rate pricing.
- Clean shingles will still be accepted for recycling at the rate of **\$16 per ton**.

## ELECTRONIC TICKETS

- Beginning January 1st, 2020 all account customers must receive Transfer Station tickets electronically rather than paper copy at the scale.
- Contact Sheri for more information:
  - (920) 492-4951
  - Sheri.McAllister@browncountywi.gov

# Hazardous Material Recovery Facility

2561 S. Broadway Green Bay, WI 54304

- Non-hazardous and universal waste items will have a **\$0.30/lb** fee in 2021 including batteries, all light bulbs, electronics, light ballasts, adhesives, caulk/glaze/grout/putty, cement/mortar/plaster, latex paint, antifreeze, windshield wiper fluid, cooking oil/grease, and small corded appliances.
- Automotive lead-acid batteries will be charged **\$1.00/unit**.
- Microwaves and fire extinguishers will be charged **\$5.00/unit**.
- Dehumidifiers, miniature refrigerators, small A/C units and small water coolers will be charged **\$15.00/unit**.

# Recycling Transfer Station

2561 S. Broadway Green Bay, WI 54304

- Due to the continued uncertainty in the recycling commodity markets, we anticipate continuing to charge for material coming into the Recycling Transfer Station throughout 2021.
